- If you wish to use a new font style, please submit and confirm your request.

Theme Image:

Session Name :	Theme :	Selected Or Not
Session 01	Big Hero 06	✓
Session 02	Wall - E	Planned
Session 03	-----	-----

- If you have any suggestions, please let us know.

Important Notice for Graphic Designers:

- All Graphic Designers are required to complete and submit their assigned post designs to the Web Master for quality assurance and error checking at least two (2) days before the scheduled publishing date.
- This review period allows sufficient time to identify and correct any design, content, branding, or formatting issues before the post is published.

Content Submission Guidelines for Caption Creators:

To ensure a smooth and efficient design process, all post content must be prepared and submitted before the design work begins.

Caption creators are responsible for providing the complete text that will appear in the post, including:

- Main heading/title
- Subheading (if applicable)
- Body text
- Call-to-action (if required)
- Event details (date, time, venue, etc.)
- Any additional text elements that need to be included in the design

The submitted content should be:

- Clear and easy to understand.
- Creative while reflecting the brand.
- Meaningful and engaging for the target audience.
- Concise, avoiding unnecessary words.
- Proofread for grammar and spelling before submission.

Providing finalized content in advance allows designers to focus on creativity without delays caused by content revisions. This helps maintain the team's workflow, ensures timely completion of posts, and delivers a more professional final design.

Caption Creator Guidelines:

The Caption Creator plays a vital role in ensuring that all social media content is delivered professionally and on time. Every caption should be prepared early enough to avoid delays in the design and publishing process.

Responsibilities

- Complete and submit captions within the assigned deadline. Late submissions may delay the entire post creation and publishing schedule.
- Carefully read and understand the purpose of the event or announcement before writing the caption.
- Ensure all information is accurate, complete, and relevant.

- Review the content multiple times to correct grammar, spelling, punctuation, and formatting errors before submission.
- Create captions that are clear, concise, engaging, and meaningful while maintaining a professional tone that reflects the RAS brand.
- Adapt the writing style to suit the target audience and ensure the caption feels natural and easy to read.

AI Usage Policy

AI tools may be used to assist in generating caption ideas or first drafts. However:

- AI-generated content **must never be published without review.**
- Every AI-generated caption must be carefully read, edited, and rewritten where necessary to make it sound natural and human-written.
- Remove repetitive, robotic, or unnatural wording.
- Ensure the final caption aligns with RAS communication style and is familiar and engaging for the audience.
- Proofread the final version at least once before submission.

Emoji Guidelines

Emojis should be used only when they add value to the message. Avoid excessive emoji usage.

Only the following emojis are permitted:

Hashtag Guidelines

Every caption **must** include the following official hashtags:

#RoboGensis #IEEE #RAS #IEEEStudentBranch#RUSL OR #RajarataUniversity

Additional relevant hashtags may be included only if they are directly related to the event or campaign.

Submission Process

Once the caption has been finalized, proofread, and approved, it must be submitted to the **Web Master** for the design and publishing process.

Do not submit incomplete or draft versions unless specifically requested.

Quality Checklist

Before submitting your caption, confirm that:

- The information is accurate and complete.
- The caption is clear, concise, and meaningful.
- Grammar and spelling have been checked.
- The writing sounds natural and human-written.
- Only approved emojis have been used.
- The required hashtags are included.
- The final version has been submitted to the Web Master before the deadline.
